The FreedomVoice Advantage

Phones Included

Unlike other providers, we include phones with your service. No upfront hardware costs means more savings for your business.

Quality You Can Count On

We accept nothing less than the best when it comes to clarity for your business calls.

Scalability as Your Business Grows

For new locations, remote offices or growing business, scaling your service is as easy as getting the phones and plugging them in.

Easy to Set Up, Easy to Maintain

We operate over your existing internet connection. Simply plug phones into your data network.

**Polycom VVX 401 Series
Business Media Phone**

Phones included promo expires 9/30/2017.
